

THE DOUBLE SOLUTION Atos 15 T THE SPACE SAVER PAR EXCELLENCE!

COMPACT - STABLE - ELEGANT - SMART

With the intelligence of the RCH Software Atos, ATOS15 T enables to operate both in Food & Beverage and in Retail sectors with high performances.

ATOS15 T is a POS solution with an intelligent design that uses innovative materials. Its strong point is the Interaction Design that gives functionality and elegance to the point of sale, thanks to the stable and solid base which also serves as a cash drawer. An exclusive design that pursues innovative values and the RCH company feeling. It comes in black and white colours.

A product designed for natural efficiency in use: POS + Drawer, two solutions for ONE technological and functional point of sale.
